# About us

Riding House was established in the year 1995 by Omar Farooq to produce and export Equestrian products, Horse rugs and Riding footwear. Since then the company is manufacturing and exporting equestrian products around the globe.

Riding House was one of the fastest growing company among top Indian exporters of equestrian products and the company received several Export performance awards by the Ministry of Commerce (Government of India), for excellence in Export Performance.

Riding House is SA 8000, ISO 9001-2008 certified company with social compliance and having a huge modern factory (100,000 square feet) with the best plant and machinery for production facility with a team of professionals for quality control of production at each stage.
